

What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff, and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Sweetwater Elementary School Parent Compact:

- Is linked to the goals on the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using high-quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom

How is the School Parent Compact Developed?

Sweetwater Elementary School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office). For more information about the Compact or about submitting input, please contact the Parent Outreach Facilitator, Jennifer Gramling, at Sweetwater Elementary School at (770) 651-4600.

Building Partnerships

Sweetwater Elementary School provides many opportunities that parents can utilize to help their children succeed. The **Parent Resource Center** (PRC) offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library to check out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as Reading, Class Conferences, Math & Science, Attendance Matters and Test Taking Strategies. The Parent ePost is an electronic newsletter that is emailed which includes more information on family engagement activities at our school.

Communication about Student Learning

Sweetwater Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:

- Sweetwater teachers will utilize agendas as a communication tool.
- A weekly communication folder will be sent home with evaluated work, announcements, newsletters, and an overview of students' citizenship and work habits for the week.
- Parent-teacher conferences will be held twice per school year.
- Progress reports and report cards will be issued quarterly.
- Updates will be posted on the school and district websites.
- School Website, Facebook, School Messenger, Remind, flyers, and signage are also used.

DOUGLAS COUNTY SCHOOL SYSTEM

SCHOOL-PARENT COMPACT 2023-2024

Second Grade Focus For Student Success

Sweetwater Elementary School
2505 East County Line Road
Lithia Springs, GA 30122
(770) 651-4600
<https://swes.dccsga.org>

Ms. Tanish Springer, Principal

Revised June 1, 2023

Our Goals for Student Achievement

Douglas County School System - Title I

The percentage of students scoring at Proficient or Distinguished Learner on the Georgia Milestones (GMAS) English Language Arts and Math End of Grade Assessments will increase by 6 percentage points.

Sweetwater Elementary School Goals

The percentage of students scoring at Proficient or Distinguished Learner on the Georgia Milestones (GMAS) English Language Arts End of Grade Assessments and Math End of Grade Assessments will increase by 6 percentage points.

To achieve our goals, the focus areas for second grade will be:

- Vocabulary words and word fluency
- Building fluency in counting and math facts
- Increase Reading Lexile Levels

BUILDING PARTNERSHIPS

At Sweetwater Elementary, parents are encouraged to volunteer and participate in their child's classroom. We request that you schedule these visits with the teacher at least one day ahead to make certain there are no conflicts with testing or other events. Parents have the opportunity to call, send notes, or email to request to volunteer or observe in the classroom. A brief training is required to volunteer at school.

TEACHERS, PARENTS, STUDENTS TOGETHER FOR SUCCESS

IN OUR SECOND GRADE CLASSROOM

The 2nd grade teachers will work with students and families to support student success in reading and math. To promote connections with families, teachers will:

- Provide parents with reading activities to increase oral reading fluency and comprehension. Send home a copy of words to practice with students at home.
- Provide parents with login information for MyOn reading program.
- Provide parents with Xtramath to practice addition and subtraction fluency facts. Classworks is another great resource that provides individualized learning paths, created by STAR Math and STAR Reading test results. We recommend visiting the Parent Resource Center for math resources.

AT HOME

Sweetwater parents and staff developed ideas about how families can support student success in reading and math. Families may have other ideas to add to this list. Parents will:

- Read with child at least 20 minutes per night. Parent can listen to the child read, help with unfamiliar words, and ask questions about the story. Practice the Fry Phrases and spelling words weekly.
- Monitor child reading on MyOn.
- Review addition and subtraction facts with your child every night by using the Xtramath or Classworks math practice resource. Parents can also check out electronic resources from the Parent Resource Center.

SWEETWATER ELEMENTARY SCHOOL STUDENTS

Sweetwater students, staff, and parents developed ideas about how students can succeed in school and reach for the stars in reading and math. To make connections between learning at home and school, students will complete their daily homework by:

- Practicing spelling words/sight-words
- Reviewing addition/subtraction facts at home every day
- Reading for 20 minutes with a parent/guardian (You can log onto MyOn)
- Completing assigned math practice problems

DO YOU HAVE QUESTIONS ABOUT YOUR CHILD'S PROGRESS?

It is our goal to provide reasonable access to school staff. Please see the contact information below for our 2nd grade teachers. Email addresses are formatted First Name.Last Name@dcssa.org
